Principal's Message

June promises to be a super month packed with many great events as we bring the school year to a close. Please keep checking the website for the most current information and schedules.

I would encourage as many people as possible to consider giving an hour or two this Saturday June 3rd at our annual work bee. All help is greatly appreciated.

Our virtue of the month is faithfulness. It is about staying true to someone and in our case that someone is Jesus Christ. This also means standing up for what we believe in without wavering. Faithfulness is about staying committed.

Enjoy a great month everyone.
