Principal's Message

After a very long winter, the longer evenings and sun filled days are a clear indication that spring is most certainly here!

This month we look forward to our musical production, Music Man Jr. Congratulations to all teachers and students involved in this event. Our playground is now under construction and demolition is in full swing. We are so thankful that we are able to provide a new inclusive playground for our students, families and greater community.

Our virtue this month is Compassion and we look to give generously to those who are in need. On May 3, we will celebrate Jeans Day in support of BC Children's Hospital. Please support this great cause!

As we begin this month of May, we honour Mary in a very special way and celebrate her commitment to God. Mary placed her trust in God and emphatically said yes to Him! We are also asked to say yes to God and listen to His calling.

Have a blessed month!

Music Man Jr - A Musical Production!
