--

The first game should start at about 3:00pm with the second game starting at 3:45pm or so.

I would like to know in advance which students will need rides to AWAY games. If your son or daughter will be needing a ride to an away game, please let me know at least 1 day beforehand.

Those who are willing to drive our players to AWAY games are asked to be at the school at 2:15pm with the students leaving at 2:20pm. I would like to organize all rides in advance, so please let me know how many students you are able to accommodate.

If you have any questions, feel free to e-mail me at: kames@cispj.ca

****Remember that all required paperwork must be complete in transport students.**
