Easter is a beautiful time for looking back and remembering what Jesus did for us. Easter is not about the chocolate (that is just a bonus present for us!) Jesus sacrificed himself completely for us, so we are able to pray and talk to him like a friend.

### **\*CHALLENGE**

This Easter week, I challenge you to try to give up one thing. Something you love, but sometimes it gets in the way of prayer and family time.

Examples: TV time, iPad time that's not for school.....

Or instead of giving something you could do?

Examples: Do the dishes, clean your room everyday, help out around the house, or read the bible -John 18-21
