Dear Parents,

"Love one another as I have loved you."

The greatest commandment Jesus gave us was to love God and the second was to love our neighbour!

Our Virtue and Grandfather Teaching this month is Love. Throughout this month we will focus on spreading Jesus' message of love and extending our kindness and compassion to all. This month students are encouraged to spread love within their homes, school and greater community through simple acts of kindness, done with great love. Let us be a light for all we meet. Let us spread love, generosity, and charity to others!

The PSG is hosting their Valentine's Dance on February 7th. Tickets can be purchased at the office.

The Accessible and Inclusive Learning Space initiative is well under way! Thank you to our amazing staff and parents who have stepped up to volunteer their time and expertise. If you are willing to help out in any way (helping with the trades portion of the project, work bees, gardening, sourcing materials, etc). Please contact the office if you would like to be a part of this amazing project!

On behalf of our staff at Immaculate Conception, we wish you a month filled with joy and love.

Faith Matters
